

## UX/UI Designer

Location: Katowice

### Wondering how your work will look like?

#### Imagine that you are...

part of autonomous Lean Agile team < taking full responsibility for developing software < working on web applications using the latest versions of industry standard frameworks and Microsoft's development tools < using TDD/BDD and variety of automation tools on daily basis < having long term vision of multiple projects < using English every day in communication with Kroll Ontrack employees in the US, UK and Japan < working WITH your manager, not FOR them

### Requirements

- Proven experience in designing of user experience, interactions and usability for web applications
- Working knowledge of customer journey map, value proposition canvas, business model canvas
- Ability to define personas, identify usability problems and propose solutions
- Proven experience in prototyping using variety of analog and digital techniques
- Experience in preparing use cases, user flows and wireflows
- Focus on continuous improvements
- Being a team player with good communication skills
- Good knowledge of English
- Analytical skills

### Nice to have

- Working knowledge of HTML and CSS
- Basic to intermediate programming skills in Angular and C#
- Previous experience in Design Sprints
- Working knowledge of software tools like Axure, Adobe XD or Sketch
- Up to date knowledge of UX and UI trends

### We offer:

- Fun and friendly atmosphere (board games, card games, console games, whatever tickles your fancy – we've got it!)
- Multiple internal initiatives like:
  - Lightweight communities of interest (e.g. Buggy meetings, Scrum Community)
  - Technical mentoring program (you can have personal mentor or you can be a mentor for others)
  - Soft skills, leadership Academy and more!
- Good coffee and Sweet Monday every week!
- Attractive package of benefits , i.e. private medical care (Medicover) and a sports card (Multisport)

Don't hesitate! Send us your resume and cover letter in English to: [praca@krollontrack.pl](mailto:praca@krollontrack.pl)

**KLDisccovery** is a technology software and services company serving both the Data Recovery and Legal Technologies markets. As the world's largest Data Recovery Company, **KLDisccovery** boasts international in-lab services with clean room facilities as well virtual on-site services through Remote Data Recovery. **KLDisccovery's** Legal Technologies group (Electronic Discovery and Computer Forensics) assists attorneys, businesses and investigators with the collection, organization and preparation of data for review and analysis in legal matters, regulatory filings, and investigations.
