

Scrum Master

Location: Katowice

Wondering how your work will look like?

Imagine that you are...part of autonomous Scrum team * guiding the team and organization on how to use agile practices and values * providing all support to the team using a servant leadership style * removing impediments or guiding the team how to do that * taking full responsibility for the career of matrix based HR team (different than the scrum one)* having long term vision of multiple projects * using English every day in communication with native speakers * working WITH your manager, not FOR them

Requirements:

- At least 1 year of experience in playing the Scrum Master role for software development team
- Deep knowledge and understanding of Agile values, principles, practices and theory
- At least 3 years of experience in agile software development department
- Leadership skills and respectful approach to different opinions
- Very good knowledge of English
- Excellent communication skills
- Ability to work autonomously in fast pace environment

Nice to have:

- Scrum Master certification (PSM I)
- A university degree or equivalent
- Project management experience
- People management experience
- Previous exposure to budget management

We offer:

- Multiple internal initiatives like:
 - Lightweight communities of interest (e.g. Buggy meetings, Scrum Community)
 - Mentoring program (you can have personal mentor or you can be a mentor for others)
 - Soft Skills Academy
 - Leadership Academy and more!
- To keep creativity on high level, you can work with students on the University:
