Scrum Master

Location: Katowice

Wondering how your work will look like?

Imagine that you are...

part of autonomous Scrum team < guiding the team and organization on how to use agile practices and values < providing all support to the team using a servant leadership style < using TDD/BDD and variety of automation tools on daily basis < removing impediments or guiding the team how to do that < taking full responsibility for the career of matrix based HR team (different than the scrum one) < using English every day in communication with Kroll Ontrack employees in the US, UK and Japan < working WITH your manager, not FOR them

Requirements:

- At least 1 year of experience in playing the Scrum Master role for software development team
- Deep knowledge and understanding of Agile values, principles, practices and theory
- At least 3 years of experience in agile software development department
- Leadership skills and respectful approach to different opinions
- Good knowledge of English
- Focus on continuous improvements
- Being a team player
- Good communication skills

Nice to have:

- Scrum Master certification (PSM I)
- A university degree or equivalent
- People management experience

We offer:

- Fun and friendly atmosphere (board games, card games, console games, whatever tickles your fancy – we've got it!)
- Multiple internal initiatives like:
 - Lightweight communities of interest (e.g. Buggy meetings, Scrum Community)
 - Technical mentoring program (you can have personal mentor or you can be a mentor for others)
 - Soft skills, leadership Academy and more!
- Good coffee and Sweet Monday every week!
- Attractive package of benefits , i.e. private medical care (Medicover) and a sports card (Multisport)
- To keep creativity on high level, you can work with students on the University:
