

## Senior Quality Assurance Engineer

Location: Katowice

### Wondering how your work will look like?

#### Imagine that you are...

part of autonomous Scrum team \* taking full responsibility for developing software \* working on the latest version on Microsoft's development tools \* using TDD/BDD and variety of automation tools on daily basis \* having long term vision of multiple projects \* using English every day in communication with native speakers \* working WITH your manager, not FOR them

#### Requirements:

- Project Management – Review project requirements and design specifications, set detailed QA Schedules and expectations, provide standard test metrics and status for the project
- Test Planning and Preparation – Define project test objectives, write test plans and test case documentation, establish test environment and create test data.
- Product testing resulting in pass/fail metrics.
- Create and maintain automated test cases.
- Problem investigation and analysis.
- Defect documentation and reporting.
- A university degree or equivalent
- Experience in Quality Assurance in Agile projects
- Good knowledge of SQL, T-SQL
- Good knowledge of automation frameworks (i.e. Selenium, Coded UI, SpecFlow)
- Good knowledge of English
- Focus on continuous improvements
- Team player
- Good communication skills

#### Nice to have:

- Knowledge of C# or other Object Oriented Programming Language
- ISTQB/REQB certification

#### We offer:

- Multiple internal initiatives like:
  - Guilds - lightweight communities of interest
  - Mentoring program (you can have personal mentor or you can be a mentor for others)
  - Soft Skills Academy
  - Leadership Academy and more!
- To keep creativity on high level, you can:
  - Join Software Craftsmanship Silesia meetings - <http://www.meetup.com/sc-silesia/>
  - Work with students on the University - <http://ko.learntocode.krollontrack.pl/>
- Fun and friendly atmosphere (board games, card games, console games, whatever tickles your fancy – we've got it!)
- Good coffee and Sweet Monday every week!

Don't hesitate! Send us your resume and cover letter in English to: [praca@krollontrack.pl](mailto:praca@krollontrack.pl)

**Kroll Ontrack** is a technology software and services company serving both the Data Recovery and Legal Technologies markets. As the world's largest Data Recovery company, **Kroll Ontrack** boasts international in-lab services with clean room facilities as well virtual on-site services through Remote Data Recovery. **Kroll Ontrack's Legal Technologies** group (Electronic Discovery, Paper Discovery, Computer Forensics) assists attorneys, businesses and investigators with the collection, organization and preparation of data for review and analysis in legal matters, regulatory filings, and investigations.
