

Software Engineer II (Web Development)

Location: Katowice

Wondering how your work will look like?

Imagine that you are...

part of autonomous agile team * taking full responsibility for developing software * working on the latest version on Microsoft's development tools * having long term vision of multiple projects * using English every day in communication with native speakers * working WITH your manager, not FOR them

Requirements:

- Experience in Microsoft web programming platforms and client-side libraries like jQuery, Angular
- Experience in Object Oriented Programming concepts and design patterns
- Experience using and/or administering a content management system with preference for WordPress, Kentico, or OpenText Web Solutions.
- Knowledge of Microsoft Windows Server environment and Internet Information Services (IIS).
- Knowledge of relational database structures and proficiency using Structured Query Language (SQL) and Stored Procedures.
- Knowledge of common security related concerns applicable to a web environment.
- Ability to prioritize and execute tasks in a fast paced environment
- Strong capacity for troubleshooting and debugging
- Good knowledge of English
- Focus on continuous improvements
- Team player
- Good communication skills

Nice to have:

- Experience in Unit Tests, mock frameworks, MVC pattern, Selenium
- Experience with working in continuous processes environment: refactoring, code review, continuous integration

We offer:

- Multiple internal initiatives like:
 - Guilds - lightweight communities of interest
 - Mentoring program (you can have personal mentor or you can be a mentor for others)
 - Soft Skills Academy
 - Leadership Academy and more!
- To keep creativity on high level, you can:
 - Join Software Craftmanship Silesia meetings - <http://www.meetup.com/sc-silesia/>
 - Work with students on the University - <http://ko.learntocode.krollontrack.pl/>
- Fun and friendly atmosphere (board games, card games, console games, whatever tickles your fancy – we've got it!)
- Good coffee and Sweet Monday every week!

Don't hesitate! Send us your resume and cover letter in English to: praca@krollontrack.pl

Kroll Ontrack is a technology software and services company serving both the Data Recovery and Legal Technologies markets. As the world's largest Data Recovery company, **Kroll Ontrack** boasts international in-lab services with clean room facilities as well virtual on-site services through Remote Data Recovery. **Kroll Ontrack's Legal Technologies** group (Electronic Discovery, Paper Discovery, Computer Forensics) assists attorneys, businesses and investigators with the collection, organization and preparation of data for review and analysis in legal matters, regulatory filings, and investigations.
