

Software Development Supervisor (Custom Development Group)

Location: Katowice

Wondering how your work will look like?

Imagine that you are...Part of a unique team of developers called the Custom Development Group (CDG) * taking responsibility for career of your team * enhancing the system with new capabilities and tweaking existing solutions with outside-of-the box features * using English every day in communication with native speakers * working WITH managers, not FOR them

Requirements:

- At least 3 years of experience as a Software Developer or QA Engineer
- Leadership skills and respectful approach to different opinions
- Experience in C# and .NET platform or Quality Assurance
- Experience with Automation
- Strong analytical and problem solving skills
- Focus on continuous improvements
- Very good knowledge of English and excellent communication skills
- Ability to work autonomously in fast pace environment

Nice to have:

- A university degree or equivalent
- Project management experience
- People management experience
- Process improvement experience
- Previous exposure to budget management

We offer:

- Multiple internal initiatives like:
 - Mentoring program (you can have personal mentor or you can be a mentor for others)
 - Soft Skills Academy
 - Leadership Academy and more!
- To keep creativity on high level, you can:
 - Join Software Craftmanship Silesia meetings - <http://www.meetup.com/sc-silesia/>
 - Work with students on the University - <http://ko.learntocode.krollontrack.pl/>
- Fun and friendly atmosphere (board games, card games, console games, whatever tickles your fancy – we've got it!)
- Good coffee and Sweet Monday every week!

Don't hesitate! Send us your CV in English to: praca@krollontrack.pl

Kroll Ontrack is a technology software and services company serving both the Data Recovery and Legal Technologies markets. As the world's largest Data Recovery company, **Kroll Ontrack** boasts international in-lab services with clean room facilities as well virtual on-site services through Remote Data Recovery. **Kroll Ontrack's Legal Technologies** group (Electronic Discovery, Paper Discovery, Computer Forensics) assists attorneys, businesses and investigators with the collection, organization and preparation of data for review and analysis in legal matters, regulatory filings, and investigations.
